Performance Objective 1 Problem Statements:

Student Learning
Problem Statement 1: Heights Elementary is identified for Targeted Support for All Students because four indicators were missed for 3 consecutive years. Root Cause: A large number of students are entering 3rd and 4th grade performing below grade level making it difficult for them to reach the meets and masters grade level standards.
Problem Statement 3: At Heights Elementary, 1 out of 8 eligible student groups met the target score for Domain III Academic Achievement in Reading. All Students: -15%, African American: -19%, Hispanic: -2%, White: -30%, Economically Disadvantaged: -4%, SPED: -9%, Continuously Enrolled: -15% Root Cause: Lack of planning for targeted accelerated instruction for students already performing at Approaches grade level and above on reading assessments.

Goal 1: The percentage of students that score meets grade level or above on STAAR Reading will increase each year through June 2024.

3rd Grade Reading 28% to 40%

5th - 8th Grade Reading 34% to 46%

English I & English II 36% to 48%

Performance Objective 2: The percentage of students in kindergarten reading on grade level as measured by the Renaissance Reading Assessment will increase from 59% to 70% by the end of the 2020-2021 school year.

The percentage of students in 1st grade reading on grade level as measured by the Renaissance Reading Assessment will increase from 78% to 85% by the end of the 2020-2021 school year.

The percentage of students in 2nd grade reading on grade level as measured by the Renaissance Reading Assessment will increase from 50% to 65% by the end of the 2020-2021 school year.
