

CONFLICT OF INTEREST

The Conflict of Interest Questionnaire, Form CIQ, is attached for your company to execute and submit to Texas City ISD. This document needs to be filed with Texas City ISD in compliance with HB914 requiring all vendors to disclose the contained information.

It is necessary for Texas City ISD to obtain and retain documents from the vendor which clearly indicates there is no conflict of interest for any product(s) and/or service(s) offered/provided to Texas City ISD. This form **must** be on file with the Purchasing Department in order for Texas City ISD to continue doing business with your company.

Please complete the form and include it with your bid or proposal packet. If you have any questions, contact Brooke Lakner, Director of Purchasing, at (409) 916-0115 or blakner@tcisd.org.
