Dear TCISD Families,

A Levi Fry Intermediate School 12-year-old was arrested today and will be charged with a felony terroristic threat after students threatened reported his actions. Parents, this is the second day in a row we've had a student make a threat to cause harm to others. Please know that TCISD takes all threats seriously and that the District Attorney will accept charges each time.

I want to refer you to the Mental Health America website so that you can get a guide on leading a discussion with your kids about school safety. Visit [www.mentalhealthamerica.net/conditions/talking-kids-about-school-safety](http://www.mentalhealthamerica.net/conditions/talking-kids-about-school-safety). The site also gives examples of behaviors that can be signs that a child needs professional help.

If you think your child could be a danger to themselves or others, please contact a school counselor, your child's physician, or call MHA toll free at 1-800-969-6642.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rodney Cavness', is written over a faint, larger version of the same signature.
