Dear TCISD Families,

A La Marque Middle School 14-year-old was arrested today and will be charged with a felony terroristic threat after declaring the threat in a classroom this afternoon.

I cannot share any details but wanted you to be aware since we take all threats seriously. Parents, please remind your children that if they threaten to cause harm to anyone at school, they will be arrested, charged, and prosecuted to the fullest extent of the law.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rodney Cavness', is written over a horizontal line.

Rodney Cavness, Ed.D.
